

the Worship - Collective

Worship is about loving God with every fiber of our beings and experiencing a relationship with God that engages our emotions, our intellect, our spirit and our strength. It involves studying the Bible in the context of community and wrestling with it—working out how faith relates to contemporary issues and then enacting the Gospel in the everyday places of our living. In other words, worship is an active lifestyle that is fuelled by the working of the Holy Spirit and nurtured through weekly community gatherings.

The Worship-Collective is a chance to be in conversation with a group of people who are working out what it means to understand and enact the Gospel. It is also an opportunity to engage God through the gift of music and is open to anyone.

The Worship-Collective gatherings will focus on Easter Celebration.

The goals of the gatherings are to foster community and to engage God through music and word. In the end, *the worship collective* will lead the broader community of Emmanuel in a special all ages Easter Celebration.

Rehearsals will run from 7:30 – 9:30 pm with a coffee break in the middle. It is open to all ages. Unfortunately, we are unable to provide childcare during the rehearsals.

Below is the schedule for *The Worship-Collective* gatherings and services:

March 19	7:30 – 9:30 pm (rehearsal)
March 26	7:30 – 9:30 pm (rehearsal)
March 31	10:00 am – 12:00 pm (rehearsal)
